To whom it may concern,

Please find my resume attached as an applicant to the position of Commissioner of New Mexico Public Regulations Commission. I am a registered republican in the state of New Mexico.

I have a baccalaureate degree from the College of Santa Fe. Although I do not have 10 years professional experience in this field, I have unique skillsets of working with organizations to get their message out to membership of all social and economic backgrounds. I see community involvement as an opportunity to continue down the paths of unification of people groups to better my community and state. My skill set includes interfacing with people and motivating them to get involved and understanding the organization's message on issues. Impacting their lives.

Please find my attached resume for your review. I thank you for the opportunity to be considered.
